A diagram illustrating file dependencies. At the top, a gray rectangular box contains four lines of file paths: `/home/ankurshaswat`, `/MyFiles/Repos/COP290`, `/working_3d_to_2d/include`, and `/module1/basicComponents.h`. From the bottom edge of this box, four blue arrows point downwards to four separate white rectangular boxes arranged horizontally. These boxes contain the words `vector`, `string`, `iostream`, and `cmath` respectively.

`vector`

`string`

`iostream`

`cmath`
